## **Virtual Training Options**

If you have done online training in both 2024 and 2023, please plan to attend in person this year if at all possible. If you are unable to do so, prior approval to do online training is required.

This will include 2-3 modules to cover both state mandated training and our county updates.

Expected availability is March 1 - March 31.

Once this training is active a link will be sent to all volunteers.

## **Ohio 4-H Conference - Saturday, March 8, 2025**

*Greater Columbus Convention Center*

The Ohio 4-H Conference is the largest known gathering of 4-H staff, volunteers, and teens in the United States! The conference features a variety of sessions, a marketplace of promotional items and fundraising ideas, lunch, and lots of opportunities to network with others from around Ohio.

**Registration is due to us by noon on February 6th.** A limited number of volunteers may attend at no cost through sponsorship from Sandusky County 4-H Committee. *If you registered last year and did not attend, you are not eligible for a free, sponsored registration and would need to pay to attend. Our county has to pay for all registrations even if they do not attend.*
