4-H Volunteer Background Check Notice – Do Not Disregard
This information is needed to continue your 4-H volunteer service!

Dear Ohio 4-H Volunteer:

Thank you for the time and talent you give to Ohio 4-H! Your hours of dedicated service allowed us to deliver outstanding positive youth development experiences in 4-H clubs, groups, and special interest programs to more than 90,000 young Ohioans last year.

OSU Extension 4-H Youth Development and our home college and institution, the College of Food, Agricultural and Environmental Sciences at The Ohio State University, are committed to providing safe environments for everyone who participates in our programs and activities. A key component of that commitment is the requirement that all adult 4-H volunteers have a clear Ohio Bureau of Criminal Investigation (BCI) fingerprint background check on file with us before volunteer service begins, and every four years thereafter. These background checks, along with our volunteer application, screening, training and annual agreement to honor our volunteer standards of behavior, are part of our overall youth protection policies and procedures.

Our records indicate you are due for a background check this year. **To continue your service as a 4-H volunteer, you must have an Ohio BCI fingerprint background check completed by February 15, 2024.** Follow the enclosed instructions as you complete your background check.

We understand the extra time this takes and know you understand the importance of taking steps to help ensure the safety of all 4-H members, and we appreciate it! Please do your best to have your background check completed by the deadline so that you will be able to continue to be a 4-H volunteer in 2024. If you do not intend to have this done, please notify your county 4-H professional that you are resigning your volunteer role at this time.

If you have questions or concerns about this process, please contact the Sandusky County OSU Extension Office at 419-334-6340 or email soule.12@osu.edu.

Thank You!
